**BEAUTY IN BAMBOO** With its sensual curves and functional design, the FORMA cutting board, made from bacteria-resistant bamboo, is ergonomically sculpted in signature Georg Jensen style — a clever organic shape for easy grip while serving. FORMA cutting board, \$180, from Georg Jensen

## BESTbuy!

**TUCK IN WITH TUPPERWARE** Space-saving, presentable and functional, the GOFLEX! container makes party serving a breeze. It flattens from its 950ml capacity instantly for easy carriage and minimal storage. Air-tight and liquid-tight, it also keeps food fresh until you arrive at your pot-luck destination. Tupperware GOFLEX!, P.O.A, from [www.tupperware.com.sg](http://www.tupperware.com.sg)

## CLICKONTHIS

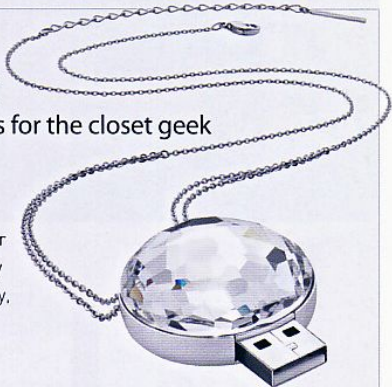

Want the latest on Singapore's dining scene, fresh off the press? Log on to [www.foodnews.com.sg](http://www.foodnews.com.sg), Singapore's first online portal for, well, food news. Hosting the most up-to-date information on the city's bustling food and beverage industry, it is an online resource for journalists and food aficionados.

## essential things TIC TECH TOE

Swanky instruments for the closet geek

While you're deskbound, you might as well spruce things up with a little glitter with this 2GB USB memory key. Moon USB memory key, \$410, from Swarovski

Hear it straight from the sound masters: the Sennheiser HD800 headphones, fashionably styled with a sleek annular design, provide the most natural sound with its 56 mm sound transducer. Sennheiser HD 800 headphones, \$2,199, from authorised retailers

Want to wake up to a gentle chime, your favourite television soundtrack or the lively chatter of your favourite radio host? The BeoTime is a sleek alarm clock that gives you the perfect start to the day, just as you like it. BeoTime, \$660, from Bang & Olufsen
