New 24-hour hydration

Following the successful launch in 2011 of Kiehl's Dermatologist Solutions® Clearly Corrective™ White collection, which is anchored by its cutting-edge ingredient, Activated C, Kiehl's now proudly introduces Clearly Corrective™ White Deep Moisture Clarifying Cream. Featuring the potent and powerful Activated C plus hydrating glycerin and moisture-enhancing ceramide together with white birch and peony extracts, this cream is clinically-demonstrated to impart an overall improvement in skin clarity while helping to correct an uneven skin tone, and deter the appearance of new pigmentation irregularities on skin's surface. All this while providing continuous, 24-hour hydration for instant luminosity and overall skin uniformity. You will see an improvement in the overall skin appearance in just eight weeks!

Best of both worlds

→ Nutrimetics Ginger Range

Ginger and virgin coconut oil have been used as remedies for ages due to their well-known wellness benefits. Nutrimetics has combined both their goodness to create a complete head-to-toe care set. The ginger product set includes the ginger plus virgin coconut oil 2-in-1 hair shampoo and conditioner to revitalise dull and lifeless hair. To complete your hair care, the ginger plus virgin coconut oil hair serum instantly re-textures the hair surface, leaving it softer, smoother and more manageable. Meanwhile, the ginger shower milk scrub, ginger bio oil and ginger body cream work to leave your skin soft and smooth.
