The Kitchen

Essentials

You don't have to worry about things getting out of hand in the kitchen, with these 13 nifty Tupperware products

Keep Your Rice Fresh

1 Rice Dispenser, RM288. Never know how or where to properly keep your rice? The Tupperware Rice Dispenser is the perfect sleek storage solution that easily stores and dispenses rice. It even accurately measures one standard cup each time you dispense, with no spills or mess!

For Water

2 Water Wonder-All, RM129 (10L). Easily dispense clean water wherever you are. This Wonder-All has ergonomic handles that make this container portable: great for a picnic, for camping or even for your children's Sports Day!

3 Nano Nature Water Filtration System, RM2,590. Give your family clean, safe and nutrient-rich water, straight from the tap! This system gives a three-stage filtration that ensures cleaner quality water.

4 Fridge Water Bottle, RM39.90 (2L). This versatile, liquid-tight bottle fits snugly in your side fridge door.

WIN 20 TUPPERCHEF INSPIRE COOKWARE & PRE-MIX SAUCES SETS WORTH RM800 EACH

Be inspired in the kitchen with the TupperChef Inspire cookware range. With TupperChef Inspire, you use *less time, less energy, less water and less oil* to prepare delicious meals. Foods will use their own juices to cook because *less water is used, preserving most of the food's natural nutrients.* Meals are also tastier because it retains its natural flavours.

Also from Tupperware Brands, Asian Meals Pre-Mix Sauces is the perfect choice for you to easily whip up your family's favourite dishes easily and quickly. With no added MSG, no preservatives, no artificial colours and flavours, no trans fat, no 3-MCPD, non-GMO and no gluten, these delicious pre-mixed sauces are also made with stringent food safety and quality standards.

For a chance to win, fill in the entry form in The Weekly's Lucky 13 Anniversary Gift Card and send it to us by October 31, 2013.
