Cover Story: Defined By Type
Letters and numbers in a space of cool greys spell out this creative's toned-down yet graphic decorating personality.

more...

Trends
Concrete Jungle
You don't need to plaster your home with cement. Just use accent pieces with a hint of it — that's your cue.

Solutions
Grow a Garden
Turn your balcony, or your yard into an oasis of calm — just go green. Hot pond optional.

Indulgence
Building 3-in-1
Our cover desks help Style:Living create three spaces with one. Hook and strap-on sensibilities.

Interiors
Crystal Palace
Bright accents, elegant wallpaper and shimmering chandeliers make this pad oh-so-glam.

Features
Viewing in Tradition
Producing the Friant fabrics since 1935, Pierre Frey is a name every interior decorator knows...

TupperChef Inspire Cookware Collection.

Less Is More

Enjoy tastier, healthier and more nutritious food infused with natural flavours with Tupperware Brands' new TupperChef Inspire Cookware Collection. Prep meals using the "Water-less" and "Grease-less" methods where you cook using *less time, less energy, less water and less oil*. The collection, which includes a wok, saucepan, fryer, casserole pot and stock pot, are made of special-grade stainless steel that is anti-rust, anti-corrosion and allows rapid and even heat distribution. It can be used on all heating hobs — ceramic stove, hot plate, induction or gas stove. Visit #01-00, 85 Defu Lane or call 6285-3988. www.tupperware.com.sg
