July is a good month to...
work smart!
12 must-have tools to save time and hassle in the kitchen
Text *Jasmine Goh*

1 A handy gadget with five quality blades, this tool provides a fast and efficient way to chop fresh herbs. It also offers the versatility of palm and grip use.
Featuring **Zyliss Fast Cut Herb Tool**, S\$32.40, from ToTT Store

3

With the distinctive designs on the back, these four cutting boards will prevent confusion over which board to cut meat, fish, veggies or cooked food.
Featuring **Quality Cutting Board Set**, S\$63.90, retailing online at www.naaise.com

2

Offering 288 cuts in 15 seconds, this kitchen gizmo chops up anything from garlic, onions, herbs, to capsicums and tomatoes, without the use of electricity.
Featuring **Tupperware Turbo Chopper**, S\$57, from Tupperware Brand Hubs, independent Tupperware Brands consultants, and Tupperware Brands Singapore

4 The suspended tray allows herbs to stand upright and comfortably spaced with their stems immersed in water for hydration, retaining their flavour and texture for a longer time. Plus, the Herb Keeper fits snugly on the shelf of your refrigerator door.
Featuring **Herb Keeper**, S\$35.70, retailing online at www.uncommongoods.com

Food storage organisers

Food storage organisers
Use food containers to keep your refrigerator, shelves, and drawers tidy and organised.

Food safety tip:
Only use plastic containers that are labelled as microwave-safe for microwave cooking or reheating.

PRUTA Food Containers, S\$4.90 (set of 17), from IKEA

DROPPAR Jars, S\$6.90–S\$18.90, from IKEA

FreezerMate, S\$56.60 (set of 5), from Tupperware Brand Hubs, independent Tupperware Brands consultants, and Tupperware Brands Singapore

Withstands temperatures as low as -20 degrees Celsius!

Adjust the air venting system to suit the type of vegetables and fruits stored within

VentSmart, S\$29–S\$49.50, from Tupperware Brand Hubs, independent Tupperware Brands consultants, and Tupperware Brands Singapore

Can Rack, S\$17.95, from Howards Storage World
