Tupperware products have become household essentials for effectively preserving the textures, flavours, and freshness of food.

One Touch by Tupperware continues this tradition of innovation in convenience and function. Besides being designed to be airtight and keep out moisture, the canisters are sealed with just a touch! As Hari Raya is rolling in, use One Touch to store and serve your nuts, cookies, biscuits, and snacks to maintain that crispy bite.

The One Touch is available in a variety of sizes, ensuring you have the right canister for everything. Its stylish transparent base allows the contents to be quickly identified, saving valuable time during the hustle and bustle of Hari Raya. Like all Tupperware products, the One Touch is durable and guaranteed against chipping, cracking, and peeling. More than a temporary solution, you're investing in a product that can last a lifetime.
