

# SAFE & SAVE

With Tupperware!

**ECO TIP!**  
Bring your own water in a tumbler you can trust.

SAFE to reuse, so you can do your bit to SAVE the environment.

- ✓ All raw materials meet the most stringent safety laws worldwide
- ✓ Only virgin, food-grade materials are used
- ✓ Tested and proven to be safe for use and reuse, for a lifetime!
- ✓ Backed by Tupperware Lifetime Guarantee, Tupperware lasts and will not end up in landfills

**ECO TIP!**  
Store raw foods in a sealed-in, fast-freezing container instead of using polybags or paper wrapping.

**Eco Bottle 1 Litre**  
Set of 2 - Blue + Green  
**RM49.80\***

Eco-friendly and hazard-free, you can reuse with peace-of-mind. No chemical leach, even under extreme weather, the ECO Bottle is handy anytime, anywhere ... it's for everyone.

## DO YOU KNOW?

- ✓ PET bottles are not meant for repeated use
- ✓ Some studies indicate chemical leach into water when PET bottle is exposed to heat - especially when left in the hot sun, in the car
- ✓ Yearly, over 85,000,000 PET bottles end up in landfills in Malaysia
- ✓ PET bottles take 1000 years to bio-degrade

- ✓ Improper storage and handling of raw foods can promote rapid bacteria growth
- ✓ Within hours, bacteria on raw food can multiply to dangerous levels - causing food - borne illnesses
- ✓ When not properly stored, food spoils fast, releasing methane - a toxic gas that contributes to global warming
